

Funky Moves Private Event Procedures in relation to current Covid-19 guidance

- All teachers have been advised on how to execute the following safety procedures in advance of the event
- Teachers are recommended to arrive with a face covering to the venue to ensure set up and initial introductions/meeting of clients is safely established
- Teachers will bring their own hand sanitiser or kindly request the use of the event location's basin to wash their hands thoroughly at the start of the session
- Teachers are instructed to adhere to the 2m social distancing rules at all times
 - The team are trained in techniques to encourage younger children to maintain this themselves
 - The team are provided with props to help support this rule
 - Games have been adapted to actively discourage the breaking of this rule
- No touching will occur at any point between the teacher and the event attendees (this includes dance corrections/ positioning/ helping with an activity)
- All art activities/prizes are ordered in new for the event
- Speakers and teacher's equipment are personal (ie not shared between the team) and are cleaned after each event
- All events are complying with current recommended social bubbles sizes of 6 people in total
- The same teacher will be used for all dates of a particular course or event
- Teachers will be arriving by bike/car where at all possible, to avoid public transport

Our team are trained in delivering positive, energetic, fun and inclusive activities, where the safety measures will appear non-disruptive and unthreatening to the children attending.
